

The safety of our Dancers & Staff is of the utmost priority here at Synergy Dance Project, listed below are the new Protocols and Procedures we will be utilizing going forward.

DANCERS

- Will be put in a 6ft by 6ft square for class. Dancers will be required to stay in these squares during class
- Dancers will be required to have some type of dance shoe during all dance classes, bare feet will not be allowed
- Will have marked spots for dancers to drop their belongings in baskets outside if needed
- Will be required to use the corresponding outside door to dance studio rooms to enter and exit their class
- Must wash their hands before and after class
- Must bring their own water bottle (Our studio fountains will be closed)
- Dancers WILL BE REQUIRED to wear a mask during their class
- Dancers will not be allowed to congregate and wait outside of the studio door as we need to leave this pathway open.
- Dancer WILL NOT be allowed to stay in the building.

PARENTS

- Only Students, Staff & Teachers will be allowed in the studio. There will be no parents allowed to observe, all parents must wait in their cars.
- There will be no congregating outside around the Entrances/Exits to studio as this constitutes a fire hazard.
- Please make sure to pack your child a water bottle
- Our locker room will be closed to students.

KEEPING YOUR CAMPERS SAFE

- Barres & Mats, if used during class, will be wiped down between each camp
- All high touch areas will be wiped down before and after camp.
- Dancers will be greeted by their teacher outside, temperatures will be taken if needed, hand sanitizer will be required for each dancer entering the classroom.
- Each dancer will be assigned a "Six-Foot-Safe" square by their teacher.

WHEN SHOULD YOU STAY HOME

- Any dancer who has felt ill or had a temperature (100.4 degrees or higher) 24-48 hours before their class. (Fever, coughing, sneezing, runny nose, etc etc etc)
- Any dancer who has had someone in their household that has felt ill or been sick.
- Any dancer or family member who has been potentially exposed to COVID-19, needs to stay home for a MINIMUM of 2 weeks before you will be allowed to attend classes again.
- Anyone who feels they cannot comply to all procedures.
- If you do not feel comfortable coming into the studio for any reason.
